WORK EXPERIENCE

Freelance Contractor, Kleege Industries (March – September 2014)

- Worked in various teams on the management and installation of high profile events such as the Davis Cup tennis, and MTV awards.

Business Development Contractor, Ebsta (October 2013 – March 2014)

- Researched companies and decision makers for launch of new B2B App on Salesforce.
- Contacted C-level prospects to qualify suitability and facilitate sales presentations.
- Walked trial users through the initial download process, and followed up queries.
- Developed broad understanding of Salesforce as a CRM tool.

SDSU Small Business Consulting Program (Spring 2013)

- Provided consulting services as part of a team for the College Area Business Improvement District.
- Created recommendations to improve the participation and profitability for “The College Area Taste.”
- Communicated ideas and strategies directly to the Business Improvement District’s board members.

ACHIEVEMENTS

Secondary Schools Exchange Scholarship - The Cate School, Santa Barbara, CA, USA (2007)

- From over 2000 applicants, awarded one of 15 scholarships from the English Speaking Union to study abroad for a year at The Cate School in Santa Barbara.

Santa Barbara City College America Football Team (2009 – 2010)

- Awarded scholar athlete status by the Southern California American Football Association for achieving grades above a 3.0 GPA across two seasons.
- Demonstrated a hardworking and competitive nature through ambition to play American football at the college level despite having never played competitively before.
- As a result of exemplary technical skills and team sportsmanship, earned a starting position in second year.

SKILLS

Front End Web Development (HTML / CSS / JavaScript / j-Query/ Ajax)

- Took it upon self to learn front end web development languages.
- Projects can be viewed on my google + page or GitHub profile.
